**1. SCOPE**

This document gives details of the fees involved in the implementation of the certification of precast concrete blocks under the Factory Assessment System RD-DP21-2001 (IC).

**2. GENERAL DESCRIPTION**

The applicable fees are based on Local Order (5) 2001 and are calculated according to the man-hours required to carry out the services covered by the certification scheme. These fees also includes the Marking Fee component for the use of the DCL Conformity Mark as given in RD-DP21-2097 (IC) - Fee Structure for DM 3<sup>rd</sup> Party Product Certification through Factory Assessment.

**3. APPLICABLE FEES**

S/N	Type of Fee	Details	Terms of Payment	Fee
3.1	Product Certification Fee (per year) for certifying against the first standard.  NOTE: One standard means 1 type of block, (either masonry, filler, paving, or thermal).	This fee will cover the total fees for the first year including the initial assessment of the factory; sampling and testing of the product certification and marking fees, and surveillance fees.	Advance payment of AED 20 000.00 upon submission of application.  The balance of AED 55 000.00 shall be paid before the issuance of the certificate.	AED 75 000.00
3.2	Product Certification Fee per additional standard.	This fee will cover the additional fees required for testing and assessing the product against the additional standard.	Fee shall be paid before issuance of the certificate.	AED 15 000.00
3.3	Annual Renewal Fee	This fee will cover the annual renewal of the certification license, including surveillance fees, inclusion, sampling and testing fees and marking fees subject to the continuing compliance with the requirements of the certification system, which will be applicable for each successive year.	The fee shall be paid before renewal of the certificate.	AED 75,000.00
3.4	Annual Renewal Fee for additional standard	This fee will cover the annual renewal of the certification license, including surveillance fees, sampling and testing fees, inclusion and marking fees subject to the continuing compliance with the requirements of the certification system, which will be applicable for each successive year.	The fee shall be paid before renewal of the certificate.	AED 15,000.00
