**CIRCULAR TO ALL CONSULTANTS OFFICES AND GENERAL  
CONTRACTING COMPANIES IN THE EMIRATE OF DUBAI**

**CIRCULAR NO. 125**

**RE: REQUIRING COMPLIANCE CERTIFICATE FOR BLOCKS NOT  
MENTIONED IN LOCAL ORDER 44/1990**

Within the framework of Dubai Municipality's aspiration for improving the quality of blocks that are not included in Local Order 44/1990, all consultants offices and general contracting companies in the Emirate of Dubai are hereby required to obtain Certificate of Compliance for autoclaved aerated concrete (AAC) blocks and light weight concrete blocks from Dubai Central Laboratory Department for compliance with DM Specifications DMS 1: Part 2 and 3 prior to use in construction sites in Dubai.

The contractor, along with the consultant supervising the work, shall be liable for non-compliance with this Circular.

All are requested to provide full cooperation for the benefit of the public. Thank you.
