**CIRCULAR TO ALL CONSULTANTS' OFFICES AND CONTRACTING  
COMPANIES OPERATING IN THE EMIRATE OF DUBAI,**

**(Number176)**

**REGARDING THE USE OF REINFORCING STEEL BEARING  
THE DCL CONFORMITY MARK AND SUPPLIED BY REGISTERED  
IMPORTERS AND MANUFACTURERS**

Within the framework of Dubai Municipality's desire to develop and improve the construction works in the Emirate of Dubai, and, in accordance with the provisions of DM Circular No. (159) 2007 regarding the "Control of Reinforcing Steel in the Emirate of Dubai", consultants' offices and contracting companies operating in the Emirate of Dubai and the manufacturers and importers of reinforcing steel are requested to comply with the following:

- Reinforcing steel used in construction projects shall bear the DCL Conformity Mark; and shall be supplied by importers and manufacturers that are included in the List of Registered Importers and List of Registered Manufacturers published at the DCL website: [www.dcl.ae](http://www.dcl.ae) and [www.dubaibuildings.dm.ae](http://www.dubaibuildings.dm.ae)

All concerned are requested to visit these webpage regularly in order to keep themselves updated with the latest status of the registered establishments.

Accordingly, the contractor and the consultant supervising the construction works shall be fully responsible for any noncompliance with whatever is mentioned in this Circular; bearing in mind that the violations are subject to penalties as per Clause 28 of Local Order No. (3) 1999.

This Circular shall take effect and become mandatory as of 01/05/2010.

You are kindly requested to comply for the sake of the public interest.

Thank you for your cooperation

Regards

**ENGR. KHALID MOHAMMED SALEH**  
**DIRECTOR OF BUILDING DEPARTMENT**
